Hall Hire

The function hall and balcony has sweeping views overlooking Sydney Harbour from the Sydney CBD to Cockatoo Island. The ability to enjoy evening drinks on the balcony watching the sun set over the harbour is a feature of the location.

Tables and chairs are supplied for internal seating of up to 100 people, but seating for up to 115 can be accommodated if you wish to organise additional tables and chairs from an event hire company, who will deliver. There is usually ample free parking next to the clubhouse.

- Standard cost for a Saturday evening (6 hours) is \$975, and \$815 any other night of the week. A discount is applicable to Club members and charities. A lesser fee can also be negotiated for casual day use.
- A holding deposit of \$100 is required to confirm your booking, with the balance and refundable \$250 (\$500 for 16th to 21st birthdays) security bond to be received by the Club prior to key hand over.
- The security bond may be waived by the hall hire supervisor in unusually low risk circumstances, e.g. the hirer has a trouble-free history of previous hires

The hall is let on condition of acceptance of the following conditions:

- No smoking is permitted on the premises.
- The hall hire entitles the hirer to exclusive use of the upstairs hall, and access to the bathroom facilities.
- The period of hall hire commences ordinarily at 6pm on the day of the event, unless by prior arrangement, and ends at midnight the same evening.
- By midnight all people must have left the building, and the hirer must ensure that it is then left secure.
- We appreciate that you may need time to set up and decorate the hall. Please arrange access to the hall beforehand, and it will be made available the day prior to your function if not otherwise booked. Please note however that we are an active sailing club, and boating activities may be happening downstairs while you are using the hall upstairs.
- The hall and washrooms/toilets need to be cleaned by 10 am the following morning.
- Damage to the Club caused by you or your guests or other costs incurred during or as a result of your function are your responsibility and you are responsible for the cost of replacement or repair.
- Respect for our neighbours. Some music amplifiers are capable of creating offensive (to others) noise over considerable distances. Noise from the Club must not be at offensive levels at any time, and the music must be off by 11.30pm, and guests leave quietly by midnight.

Please note: the lawn area between clubhouse and the seawall is land managed by Lane Cove Council, and its use is subject to Council laws. GSC cannot authorise any activities on it as part of the hiring agreement.

Housekeeping

- All garbage is to be removed from the premises and includes glass, bottles etc.
Note: A Return and Earn bin is available. Only valid Return and Earn bottles, cans etc can be put in the bin
- Please leave the storage room in a tidy condition with tables and chairs compactly stacked.
- Due to the fragile nature of the gold lettering, the honour boards hung on the walls are not to be removed.
- Please do not turn off the fridge or chest freezer (in the storeroom).
- Please secure the glass veranda doors open fully with the latches as they can easily break if the wind catches them.
- Club keys are to be returned as soon as possible (usually on Sunday by 10 am for Saturday bookings).
- The Club has a security alarm but this will be disengaged for your function.

We hope you enjoy the use of our hall.
